6. Mr. Moss is unavailable to attend in person due to a prior engagement out of the State.

7. Mr. Moss can arrange to be available at any specific time for telephonic testimony and expects his testimony to be relatively brief.

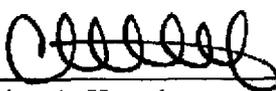

8. Requiring Mr. Moss to attend in person would create a hardship on both the Applicant and his other client, and would be so expensive that the Applicant might be forced to either request a continuance or proceed without the benefit of Mr. Moss's testimony.

9. Legal staff does not oppose this motion or the relief requested herein.

WHEREFORE, the Applicant, Columbus Electric Cooperative, Inc., requests an order granting permission to present the testimony of Mr. E.L. Moss telephonically at the February 24, 2010, hearing, at a designated time.

Respectfully submitted,
