Docket No.: L-00000NN-09-0541-
00151

Case No. 151

**APPLICATION FOR
RATIFICATION AND
RECONSIDERATION OF
INTERVENTION REQUEST**

Introduction

To ensure that the Certificate of Environmental Compatibility in this matter is free of any procedural questions or concerns, Hualapai Valley Solar L.L.C. ("HVS") requests that the Arizona Power Plant and Transmission Line Siting Committee ("Committee") reconvene to address two issues. First, HVS requests that the Committee ratify the legal action made to grant the Certificate of Environmental Compatibility. Second, HVS requests that the Committee reconsider the question of whether to grant intervenor status to those individuals who requested it.

Discussion

I. Ratification would resolve any potential concerns relating to compliance with the Arizona Open Meeting Law.

HVS respectfully requests that pursuant to A.R.S. § 38-431.05, the Committee ratify the legal action taken by the Committee on January 13, 2010. HVS believes that such action is

1 appropriate to validate the Committee's vote in light of a potential concern regarding the Arizona
2 Open Meeting Law.

3 At an evidentiary hearing and open meeting held on January 12, 2010, the Chairman of the
4 Committee instructed individuals attending the meeting that "recording is inappropriate."
5 Transcript ("Tr.") at 5:12. The Chairman indicated that he was concerned about the possibility of
6 multiple transcripts of the proceeding, and therefore asked attendees "not to record these
7 [proceedings] unless you're willing to accept at the beginning that you're going to record them all
8 and provide transcripts to the Commission." *Id.* at 5-6. The Open Meeting Law allows "any
9 person in attendance" at an open meeting to record the meeting with a "tape recorder" or by any
10 other means, unless there is "active interference with the conduct of the meeting." A.R.S. § 38-
11 431.01(F).

12 To avoid any contention that the legal action taken by the Committee at the January 13
13 meeting is null and void pursuant to A.R.S. § 38-431.05, it may be appropriate for the Committee
14 to ratify that action.

15 Section 38-431.05(B) specifies the steps for ratification.

16 **II. Allowing intervention would address any potential concerns relating to public**
17 **participation.**

18 At the hearing, the Chairman asked whether there were motions from the Committee
19 members to allow two individuals to participate as parties in the hearing. Committee Member
20 Barry Wong so moved, but the motions died for lack of a second. Tr. at 12:4-18. As a result,
21 these two individuals presented testimony under oath as Committee witnesses, but did not cross
22 exam other witnesses. Tr. at 15:11-22.

23 Although HVS believes the Committee has the discretion not to grant intervention
24 pursuant to A.R.S. § 40-360(A)(4), HVS requests that the Committee reconsider intervention in
25 this case. Granting intervention would be consistent with Commission practice to encourage
26 intervention and would remove any concerns about the individuals' participation.

1 **Conclusion**

2 HVS requests that in order to avoid delay with this matter, this application be considered
3 in conjunction with the Committee's next meeting, which is scheduled for January 26 and 27,
4 2010. In the event the Committee decides to grant intervention, HVS will have as many of its
5 witnesses available as possible for cross examination at that time.

6 Respectfully submitted this 21st day of January, 2010.

PROCEDURAL ORDER

An Application for a Certificate of Environmental Compatibility was filed in the above captioned matter with Docket Control of the Arizona Corporation Commission ("Commission") on November 23, 2009. A copy of the Application was transmitted to John Foreman, designee of the Attorney General of Arizona, Terry Goddard, as Chairman ("Chairman") and Presiding Officer of the Arizona Power Plant and Transmission Line Siting Committee ("Committee"). A.R.S. §§ 40-360.01(B) (1) and 40-360.03. A hearing/meeting of the Committee was held on January 12 and 13, 2010. After the hearing, the Applicant has filed an Application for Ratification and Reconsideration of Intervention Request. The Application for Ratification and Reconsideration of Intervention Request first asks for ratification of the action of the Committee in granting the CEC on January 13, 2010, because the Chairman erroneously advised the public at the beginning of the hearing that "[r]ecording is inappropriate." (*Reporter's Transcript, page 5, line 12*). A.R.S. § 38-431.01(F) allows recordation of a public meeting of a public body unless it interferes with the meeting. This error was not called to the attention of the Chairman at the time it was made or at any other point in the meeting so it could be corrected.

The Chairman had previously ordered that expedited transcripts be prepared and filed with the Commission and provided to two local libraries within three days after the hearing. See Pre-Hearing Procedural Order of November 25, 2009. No allegation of

1 prejudice by any person is contained in the record. After consultation with a member of
2 the Open Meeting Law Enforcement Team of the Arizona Attorney General's Office, it
3 appears the inadvertent erroneous statement of the Chairman may be technical and not
4 require ratification. See *Karol v. Bd. Of Education Trustees*, 122 Ariz. 95, 593 P.2d 649
5 (1979); *Ahnert v. Sunnyside Unified School District #12*, 126 Ariz. 473, 616 p.2d 933
(App. 1980). However, the Applicant should not be placed in the position of having to
6 assume the risk that a reviewing court would agree, and the request for ratification
7 appears to be a reasonable option for the Committee to consider.

8 However, granting the second request made by the Applicant would make moot the
9 ratification request. If the Committee allowed the two individuals who asked to intervene
10 in the hearing to now intervene, as requested by the Applicant, it would reopen the
11 evidentiary portion of the hearing so the new interveners could cross-examine all the
12 witnesses who have already testified, and call the witnesses they wish to call. This would
13 presumably require at least one more day of evidentiary hearing and perhaps significantly
14 more. It is unclear whether the resumed evidentiary hearing should be held in Kingman.
15 The Committee is the decision maker for intervention requests and, therefore, is the
16 decision maker for any request to reconsider an earlier decision concerning intervention.

17 The record does raise two similar issues of waiver that the Committee must address
18 before or as it considers the merits of the reconsideration request. At the time the
19 Committee made its decision on the requests to intervene, the following exchange took
20 place between the Chairman and counsel for the Applicant:

21 [Chairman]:...Does the Applicant have a position to express with regard to
22 either of the motions to appear as parties or with regard to the Chair's offer
23 to allow these folks to testify as witnesses later?

24 MR. CAMPBELL: Your Honor, we don't have any objection to the
25 Committee calling Mr. Torres' client or Ms. Bensusan or Ms. Bayer so they
26 can lay out their position for you. (*Reporter's Transcript, page 13, ll. 3-10*)

27 The Application for Ratification and Reconsideration of Intervention Request does not
28 contain any citation to any other request by counsel for the Applicant to reconsider the
29 decision not to allow intervention during the hearing. So the Committee must decide
30 whether the Applicant waived the right to later ask for reconsideration, because it
31 affirmatively did not object at the time the decision was made so the Committee could
32 correct its decision. And, the Committee must decide the related issue: whether to allow
33 an Applicant to reopen the hearing when no newly discovered evidence, mistake or
34 unforeseen circumstance has occurred after the presentation of evidence is complete,
35 the Committee has concluded its deliberations and the Committee has voted on a final
36 CEC.

37 As authorized by A.R.S. §§ 40-360.01(C) and (D), 40-360.04 and A.A.C. R14-3-201(E),
the Chairman issues the following procedural order,

1 IT IS ORDERED the Applicant's Application for Ratification and Reconsideration of
2 Intervention Request shall be heard by the Committee on January 27, 2010, at 8:30 a.m.,
3 shortly before time presently scheduled for hearing in consolidated line siting applications
#153/#154 at the Hampton Inn located at 2000 North Litchfield Road, Goodyear, Arizona
85395; telephone number: (623) 536-1313.

4 IT IS ORDERED counsel for the Applicant in this matter shall contact counsel for the
5 Applicant in #153/#154 to make mutually agreeable arrangements for sharing the costs of
the venue.

6 IT IS ORDERED counsel for the Applicant in this matter shall have available the
7 necessary technological equipment and staff to alter the CEC filed on January 21, 2010,
8 to reflect the further actions of the Committee.

9 IT IS FURTHER ORDERED, the Chairman may amend or waive any portion of this
10 Procedural Order by subsequent Procedural Order, by ruling at a pre-hearing conference
or at a hearing.

Good Morning Ms. Youle,

The hearing may be held in Phoenix. It depends on what is discussed and decided between the Committee and the Parties to the case on Wednesday morning. I have attached the document that the Applicant filed last week, which is what the Chairman wants to discuss with the Committee on Wednesday at 8:30 am in Goodyear, which is why we issued a new agenda for #151. That is also attached.

Please let me know if you have any further questions.

I must have missed something-why do we need a ratification hearing and what is it? If it is a pro forma event, can we have it in Phx instead of Kingman?
