SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**3.4 Prepaid Institutional Calling Services****3.4.1 General**

Prepaid Institutional Calling Services provide alternative payment arrangements for inmates in Confinement Institutions and called parties. Prepaid Institutional Calling Services are available 24 hours a day, seven days per week. Access to telephone service by an inmate may be subject to time of day, usage and other restrictions imposed by individual Confinement Institutions. No minimum service period applies.

Network usage for Prepaid Institutional Calls is deducted from the Available Usage Balance in full minute increments. For debiting purposes, call timing is rounded up to the nearest one (1) minute increment. Usage charges are computed and rounded up to the nearest penny on a per call basis.

The called party is automatically informed of the Available Usage Balance remaining in the Prepaid Account prior to acceptance of the call. Network usage is deducted from the Available Usage Balance in the account on a real time basis as the call progresses. A reminder message is also provided when the account balance has one minute of usage remaining. All calls must be charged against an account that has sufficient available balance. Calls in progress will be terminated by the Company if the balance on the account is insufficient to continue the call.

Payment for Prepaid Institutional Calling Services and any Available Usage in the Prepaid Account is refundable upon request by the called party. The Available Usage Balance expires one (1) year from the date the last call is made on the Prepaid account. No refunds of unused balances will be issued after the expiration date.

Two options are available with Prepaid Institutional Calling Services. The first option, the Prepaid Debit Account, allows the inmate to set up his/her own prepaid account at the Confinement Institution; the second option, Prepaid Collect Service, allows the Called Party who receives collect calls from inmates to set up his/her own prepaid account.
