DOCKET CONTROL

Dear Commissioners

I have recently been informed of a 27% and 40% rate increase in Sun City's water. I wish to remind you that there numerous people here in Sun City who are on fixed incomes and this increase would be a financial hardship on them as well as on others who are near to fixed incomes.

I further wish to remind you that Sun City residents do not miss an election and remember who was in office when rates were increased on them. They usually vote a as block on issues that affect their daily lives. There are over 50,000 of us here in Sun City and it would be quite a burden to overcome that many negative votes in the next election.

This is just to let you know we are very concerned about this issue and will be watching your action on it very closely.

Very Truly Yours
Robert Warren
