DOCKETED BY

Re: *American National Mortgage Partners, et al.; Docket No. S-03491-A-02-0000*

Dear Marc:

I recently read the transcript from the January 28, 2003 procedural conference that occurred in the above-referenced matter from which I have recused myself. I wanted to make a clarification to a statement I made to ensure that it was not misinterpreted.

On Page 16, lines 19 through 22 of the Reporter's Transcript of Proceedings, filed February 7, 2003, I stated,

"But what I've heard from the respondent, looked at the paperwork that's been filed is they claim everything has been provided to the Division and the Division says it has not."

I believe that this statement could be misconstrued to appear as though I may have had ex parte communications with the respondents in this matter. I wanted to make it clear that at no time, either before or after my recusal from this matter, did I have any communications with any of the respondents in this matter. This statement was in error and was intended only to reflect that I had an opportunity review the record and some of the arguments presented therein.

I trust that this clarification is helpful to you and should you have any questions, please feel free to contact me to discuss them.

Sincerely,

Jim Irvin
Commissioner
