Subject: proposed water rate increase.

Hello, I would like to ask you all to deny the increase that global water is asking for. (I will list all of the dockets below.)

The increase they are asking for will really destroy my family budget . Not only at my home but it will double the increase for me beacuse i will end up paying for the increase again through my HOA fees also. They do not deserve ANY increase at this time or in the future. You know as well as I do this will go towards paying off the coprporate big wigs so they can keep living the high life. So please I ask you all to turn them down. The familys here in Maricopa and I am sure all over the state where they are use CAN NOT AFFORD THE INCREASE IN ANY SHAPE OR FORM!.

PLEASE TURN THEM DOWN.

The docket numbers are as follows.
