**STAFF'S MOTION FOR EXTENSION OF  
TIME REGARDING RATE DESIGN  
TESTIMONY**

13  
14 The Utilities Division of Arizona Corporation Commission ("Staff") hereby requests  
15 additional time, until November 6, 2009, to file Staff's direct testimony relating to rate design.  
16 Pursuant to the May 28, 2009, procedural order issued by the Administrative Law Judge, Staff is  
17 currently required to file all direct testimony and associated exhibits on or before October 26, 2009.

18 This case involves seven separate systems and the development of rate designs for each of  
19 those systems. Since rate design is dependent on revenue requirement, this additional two weeks will  
20 allow Staff to complete its analysis relating to rate design once the other testimony is filed on October  
21 26, 2009. Staff does not believe this request to be unusual or burdensome to Global Water ("Global")  
22 or the other parties.

23 Staff is only seeking this additional time for direct testimony and rebuttal testimony regarding  
24 rate design. In order to accommodate this two-week extension, Staff proposes the following changes  
25 to the May 28, 2009, procedural order:

<u>Rate Design</u>	<u>Current</u>	<u>Proposed</u>

Surrebuttal	Dec 7	No Change
Rejoinder	Dec 10	No Change

Staff has conferred with counsel for Global, the Residential Utility Consumer Office, and counsel for the Water Utility Association of Arizona<sup>1</sup>, and they do not object to this procedural modification relating to rate design testimony. This modification to the procedural schedule will not delay the hearing currently set to begin on December 14, 2009.

Staff respectfully requests the above modification to the May 28, 2009, procedural order regarding rate design testimony, with all other procedural order dates to remain the same.

RESPECTFULLY SUBMITTED this 19<sup>th</sup> day of October, 2009.
