**Re: Motion to intervene
Docket No. W-04049A- 08 – 0339 (DSWC)**

To whom it may concern,

I am in receipt of your "Notice of DS Water Company's Application for rate increase," of no date.

I am the owner of I-15-Storage, which is located at 4010 & 4028 East Farm Road in Desert Springs and am serviced by DSWC.

Over the past years I have planted and am growing a substantial amount of trees and bushes to help make the area more presentable. My water usage has increased over these years and will continue to do so.

I feel that the rate increase of 18% (approx.) as requested by DSWC should be adequate. I am having to adjust my rental rates down to try to get and keep customers during these HARD TIMES.
