RE: Request for Reconsideration - Electrical Extensions

Dear Chairman Mayes:

This letter will serve as Mohave County's formal request for reconsideration of the ruling(s) that established new service schedules for the three major electric companies, APS, TEP and UES which essentially eliminated free service extensions by 1000, 500 and 400 feet, respectively.

The impact that these rulings will have on future growth and new development in rural communities throughout the state of Arizona will further negate any hope of economic recovery. With the limitations imposed on our ability to tax and the legislature's continual passing of unfunded mandates to Arizona governing bodies, new construction is vital to our tax base.

Respectfully submitted,

MOHAVE COUNTY BOARD OF SUPERVISORS

Gary Watson, Supervisor Dist. 1

Buster Johnson, Supervisor Dist. 3
