Subject: 1000ft free line extension/ APS

Hi Sandra, Just wanted to voice my concern. I don't understand why the 1000ft of free line extension footage was voted away to begin with. Please help in re-establishing this plan . APS offered this plan in the past why now that buyers and sellers need it the most is greed stepping in. I don't know what else it could be. Thank You, Jeannie O'Neal Century 21 Associates- Flagstaff, AZ
