Re: **Docket No. G-01551A-87-0246; Decision No. 55773**

Pursuant to Commission Decision No. 55773, issued in Docket No. G-01551A-87-0246, Southwest Gas Corporation (Southwest) was ordered to submit to the Arizona Corporation Commission (Commission) an advice letter each time transportation service is initiated for a customer or a rate for a transportation customer is changed. This submittal shall state the customer's name, rate charged, and expected volume of gas to be transported. Southwest considers the transportation rate and the expected volume of gas transported for each customer to be confidential in nature, and therefore, is filing redacted copies of this information. Southwest herewith submits an original and thirteen (13) redacted copies to the Docket Control Office. In addition, Southwest is providing a redacted copy to the Commission Compliance Office and an unredacted copy to the Director of the Commission Utilities Division.
