Re: Black Mountain Sewer  
Docket Control No. SW-02361A-08-0609

Dear Commissioners:

This letter is written to encourage you to support our Community in their efforts to de-commission the Black Mountain Sewer Processing Plant located in the residential community in Carefree, AZ known as The Boulders. This plant produces strong and disgusting odors, loud noises disturbing what should be our tranquil evenings, frequent repairs and pumper trucks driving through our residential area.

Black Mountain Sewer has tried for several years to mitigate this situation, but with minimal success. They have torn up our roads, installed new piping, replaced equipment, and installed new equipment, added chemicals, cleaned pipes and manholes. Nothing has solved this problem. Continued patch-work repairs and modifications are not going to solve this problem. We realize that the de-commissioning will result in additional costs to the users, and I am willing to accept this additional burden.

Thank you for your consideration.

Marion E Delaney
