RE: ACC Docket # _____, 2010 REST Plan, Request #1

Dear Mr. Rowley,

We have received your data request and ask that you give us an additional 10 days to compile the answers to some of your questions. SSVEC does not have a large staff and David Bane the employee that will be gathering the information from Accounting and other sources has other duties. David is our Key Account Manager who is very busy on a normal basis and this is additional workload.

David will provide you with all the available answers in the first 10 days and use the requested additional 10 days to get the answers to the questions that require more time. Due to the Veterans Day Holiday all data requests will be completed and mailed on Friday the 13th of November.

Respectfully,

Jack Blair,
Chief Member Services Officer
