Subject: Sulphur Springs Valley Elec Coop

I own a piece of land in Tunnel Springs Ranch in Sonoita that I intended to build a house on and retire in 2010 or early 2011. Due to Sulphur Springs Valley Elec Coop inability to build a new transmission line and now their request for a moratorium on new hook-ups. I am left without any alternatives.

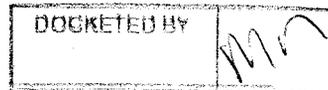

I would be very much obliged and grateful if you would change your vote in regard to the new transmission line.

Best regards,
