Per our conversation on October 26th, I am writing to oppose installation of a 30,000 gallon water tank on lot 105, Montezuma Estates, unit 1. This property is zoned for residential site built homes only.

I reside on lot 104. An industrial water tank placed next to my residence would be a detriment to the value and safety of my property.

I feel Montezuma Rimrock Water Co. should be held liable for any and all damages or loss of property value.

Thank you,

Judy Cooper
