Nature of Complaint:

OPPOSED - LIBERTY WATER - BLACK MOUNTAIN SEWER

Docket Control No. SW-02361A-08-0609

Dear Commissioners,

I support de-commissioning the Black Mountain Sewer Processing Plant located in the midst of a beautiful residential neighborhood within 100 feet of adjacent residences.

The problems my neighbors and I are experiencing which prompt me to write this letter are identified below:

Strong and nauseating odors, offensive to both Boulders residents and Boulders Resort guests, frequently coming from the Processing Plant

Health concerns from chemicals required to be inserted trying to mitigate the odors

Loud noises coming from the Processing Plant

Frequent repair and pumper trucks driving through the residential neighborhoods of the Boulders, and parking in front of the Processing Plant

Decreased home and property values because of the proximity of the Processing Plant to many homes within the Boulders, and the odors, noises and truck traffic associated with the Processing Plant

It would be more efficient to de-commission the Processing Plant now rather than continue to waste more funds each year in costly repairs and then de-commissioning the Processing Plant and remediating the land at a later date.

Thank you for your consideration of this request.

Respectfully

s/ Carolyn Senterfitt & John Senterfitt
