**JOINT MOTION FOR  
MODIFICATION OF PROCEDURAL  
SCHEDULE**

McLeodUSA Telecommunications Services, Inc., dba PAETEC Business Services ("PAETEC") and Qwest Corporation ("Qwest"), (collectively, the "Parties") jointly move for a modification of the procedural schedule previously established in this docket, for the reasons set forth below.

The Procedural Order issued on August 10, 2009, requires the Parties to jointly file a Stipulation of Material Facts by November 18, 2009, and their respective Motions for Summary Determination by December 2, 2009, with Responses by January 8, 2010. The schedule currently requires the Commission Staff to file its analysis by February 8, 2010, and the Parties to file their responses to Staff's analysis by March 1, 2010.

The Parties have not completed their identification of stipulated issues for the Arizona Commission. The Parties are conducting administrative litigation on the same claims in multiple

19

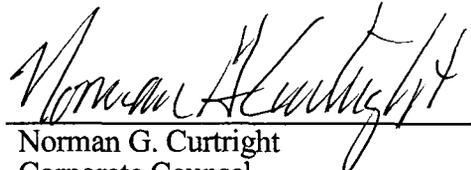

1 states, with the proceeding before the Washington Commission being the most advanced. The  
2 Parties represent that they will be best able to define the relevant issues and the material facts for  
3 the Arizona Corporation Commission ("Commission") and the remaining states, after they have  
4 fully submitted their case in Washington. Further, the respective employees and in-house  
5 counsel of the Parties who are involved in the Washington litigation would be burdened by case  
6 scheduling that substantially overlaps the Washington docket.

7 The Parties request that the schedule be modified to provide for their joint filing of a  
8 Stipulation of Material Facts to January 15, 2010, with the remaining procedural dates to follow  
9 at the same intervals as provided by the current procedural schedule.

10 The Parties have consulted with Staff counsel, who states she does not object to the  
11 foregoing request.

12 RESPECTFULLY SUBMITTED, this 10th day of November, 2009.
