RE: Unisource Energy Services 138kV Pole Finish Plan Color Selection Process, docket control number L-00000F-09-0190-00144

Dear ACC members

I just wanted to acknowledge that I have received a copy of the Unisource Energy Services 138kV Pole Finish Plan Color Selection Process, by mail. I have read and agree with the plan outlined by UES for the pole finish color plan.

I support the efforts of Unisource Energy Services to accommodate all the property owners that will be in view and impacted by the UES upgrade project. I am personally comfortable with UES choosing the appropriate pole color for the relocated transmission line structures in the area that I live in here in Rio Rico.

Thank you,

Ron Campana
