RE: MOTION TO BE INCLUDED ON SERVICE LIST in the Docket In the Matter of the Notice of Proposed Rulemaking for Electricity Energy Efficiency Rules

DOCKET No. RE-00000C-09-0427

My name, address and telephone number are listed below.

I wish to intervene, on behalf of EnerNOC, Inc., in the Matter of the Notice of Proposed Rulemaking for Electricity Energy Efficiency Rules.

I participated, through attendance and comments on behalf of EnerNOC, in the predecessor docket no. E-00000J-08-0314 from which emanated the draft rules. EnerNOC provides both demand response and targeted energy efficiency services, in the form of monitoring based commissioning for commercial and industrial customers. As the Draft Proposed Energy Efficiency Rules can have a direct and substantial effect on EnerNOC's ability to offer services in Arizona, I respectfully request the ability to participate in this docket. Please add my name to the Service List.

I hereby certify that 13 copies of this Notice to be Included on Service List has been mailed to the docket office.

Sincerely,

Mona Tierney-Lloyd
