RE: Appaloosa Water Company – Application for Extension of its Certificate of Convenience and Necessity (CC&N) Docket No. W-03443A-08-0540
STAFF'S RESPONSE TO APPALOOSA WATER COMPANY'S REQUEST FOR EXTENSION OF TIME

Dear Mr. Cordovana:

Staff has received your request for an extension of time to respond to Staff's September 25, 2009 Insufficiency Letter #2. As you are aware, the above mentioned application was filed on October 13, 2008 and to date the application is still insufficient. Staff notes your efforts in hiring an Engineering firm, Keogh Engineering, to help you with the application.

If the Company wishes to pursue the application, please file the response to the September 25, 2009 Insufficiency Letter #2 by December 28, 2009. After December 28, 2009, if the Company fails to respond to the September 25, 2009 Insufficiency Letter #2, Staff may request that the case be administratively closed.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0840 or Marlin Scott Jr. at 602-542-7272.

Very truly yours,

Blessing N. Chukwu
