Subject: Against LPSCO Fee Increase

Please take into consideration my negative opinion on the petition from LPSCO for fee increase. Residents can't afford to shoulder these costs.

Sincerely,
Melissa Friedberg

I am a new homeowner in Arizona and I am opposed to the exorbitant fee increase being petitioned by LPSCO.

I have read in a newspaper article that the increase is to prevent the waste of water by customers. If this is the case then penalize those using the larger quantity of water not all customers across the board. Increase the

amount charged per gallon over the limit of normal usage, don't double the basic charge for having the utility service.

I am a single homeowner and can barely pay my household bills. Our HOA said that 40-60% of current residents are not current and can't pay the HOA fee. It is not reasonable to think that residents could afford such a ridiculous increase in fees for LPSCO.
