RE: Proposed Water Rate Increase for Sun City West Residents

Dear Ms. Mayes:

This letter has been prepared to share with you my dissent over the proposed 66.11% increase for the residents of Sun City West. If this increase is implemented, the could result in a monthly expense of \$110 versus \$76 for each of the 46 units in our Association.

Under the current conditions, this proposal is severe. It could create a hardship for many individuals.

The Commission is requested to review the stated need for an increase. Moreover, water officials should consider moderate alternatives to recover funds stemming from infrastructure improvements and escalating operating costs over the last several years.

Sincerely,

Mr. & Mrs. B. Stobbe
Sun City West, AZ
