Re: SolarCity Corporation
Docket No. E-20690A-09-0346

To Whom It May Concern:

This letter is written upon behalf of SunPower Corporation ("SunPower") in response to the November 24, 2009 letter written upon behalf of the Commission's Staff by Charles H. Hains of the Commission's Legal Division.

In the third paragraph of the aforesaid letter, the Commission's Staff proposes a procedure for addressing a rate change requested by SolarCity Corporation ("SolarCity") which contemplates the preparation of "a Staff Report and proposed order in time for Commission consideration at an Open Meeting in December." In addition, Mr. Hains' letter indicates that, "in the alternative, Staff will also address the A.R.S. § 40-252 issues since those issues have been raised explicitly by SolarCity's October 22nd filing." Finally, the Commission Staff's letter requests an indication from the parties to the above-referenced docket if the aforesaid procedure is not acceptable to them.

SunPower has no objection to the multi-faceted procedure suggested by the Commission's Staff, provided that the aforesaid Staff Report and proposed order are distributed sufficiently in advance of the Open Meeting at which they will be considered to allow the parties of record to file written comment upon the same, if any of such parties so desire. SunPower believes that such an opportunity for comment is integral to that due process which should accompany any Commission proceeding.

Very truly yours,

Lawrence V. Robertson, Jr.
