Subject: SSVEC rate case docket # E-01575A-08-0328

Dear Commissioner Newman; I am a resident of Sonoita, in the SSVEC service area. I support th ACC rulings, and am very concerned for the rate payers. I support the feasibility study and the public meetings to resolve the problems we have with SSVEC. Please let th process continue, to bring out all the facts, and to help us create a renewable energy future, less dependent on coal fired plants. Sincerely yours, Timothy Storer
