MEMORANDUM

Arizona Corporation Commission

DOCKETED

DEC - 3 2009

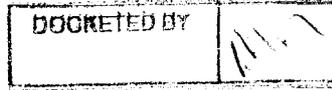

2009 DEC -3 P 2:54

AZ CORP COMMISSION
DOCKET CONTROL

TO: THE COMMISSION

FROM: Utilities Division

DATE: December 3, 2009

RE: IN THE MATTER OF THE NOTICE OF PROPOSED AMENDMENTS TO THE ARIZONA UNIVERSAL SERVICE FUND (DOCKET NO. RT-00000H-97-0137)

On September 22, 1989, the Commission established the Arizona Universal Service Fund ("AUSF") in Decision No. 56639. The AUSF was established to maintain statewide average rates and the availability of basic telephone service to the greatest extent reasonably possible. The Commission entered into an agreement for professional services with the National Exchange Carriers Association (now "Solix, Inc.") to administer the AUSF.

One half of the AUSF funding requirement is collected through a surcharge paid by providers of basic local exchange service, wireless service, paging service and other Commercial Mobile Radio Service providers that interconnect with the public switched network. These entities are known as Category One providers. The second half of the AUSF funding requirement is collected from providers of intrastate toll service. These entities are known as Category Two providers.

In order for a utility to receive AUSF support, that funding must be authorized by the Commission in a rate case. Citizens Telecommunications Company of the White Mountains, Inc. ("Citizens") (formerly Comtel of the West, Inc.) is receiving AUSF money in the amount of \$769,620 annually per Decision No. 56657, dated October 10, 1989.

Solix has requested and received data from all Arizona telecommunications providers for use in calculating the surcharges that would be applied to all telecommunications providers for 2010. From this data, Solix has calculated that the year 2010 monthly surcharge for Category One providers is \$0.006942 per access line and \$0.069423 per interconnecting trunk line. For Category Two providers, the year 2010 monthly surcharge is 0.4033 percent of intrastate toll revenues. The current monthly surcharge for Category One providers is \$0.006471 per access line and \$0.064714 per interconnecting trunk line. For Category Two providers, the current monthly surcharge is 0.2485 percent of the intrastate toll revenues.

The collection of these amounts over the year 2010 will generate sufficient funds to cover the amount of the AUSF distributions that Citizens has been authorized to receive. As of December 31, 2009, the AUSF is expected to have a fund balance of \$243,731. The new rates are intended to increase the end of year 2010 fund balance to \$299,353.

THE COMMISSION

December 3, 2009

Page 2

Staff had reviewed the proposed year 2010 monthly surcharges and found them to be just, reasonable, and in the public interest. Staff does not believe the proposed 2010 monthly surcharges will contribute to a fund balance that is higher than necessary. Therefore, Staff recommends approval of the year 2010 monthly AUSF surcharges for service provided on and subsequent to January 1, 2010.

IN THE MATTER OF THE NOTICE OF
PROPOSED AMENDMENTS TO THE
ARIZONA UNIVERSAL SERVICE FUND

DOCKET NO. RT-00000H-97-0137
DECISION NO. _____
ORDER

Open Meeting
December 15 and 16, 2009
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

1. On September 22, 1989, the Commission established the Arizona Universal Service Fund ("AUSF") in Decision No. 56639. The AUSF was established to maintain statewide average rates and the availability of basic telephone service to the greatest extent reasonably possible. The Commission entered into an agreement for professional services with the National Exchange Carriers Association (now "Solix, Inc.") to administer the AUSF.

2. One half of the AUSF funding requirement is collected through a surcharge paid by providers of basic local exchange service, wireless service, paging service and other Commercial Mobile Radio Service providers that interconnect with the public switched network. These entities are known as Category One providers. The second half of the AUSF funding requirement is collected from providers of intrastate toll service. These entities are known as Category Two providers.

3. In order for a utility to receive AUSF support, that funding must be authorized by the Commission in a rate case. Citizens Telecommunications Company of the White Mountains,

1 Inc. ("Citizens") (formerly Comtel of the West, Inc.) is receiving AUSF money in the amount of
2 \$769,620 annually per Decision No. 56657, dated October 10, 1989.

3 4. Solix has requested and received data from all Arizona telecommunications
4 providers for use in calculating the surcharges that would be applied to all telecommunications
5 providers for 2010. From this data, Solix has calculated that the year 2010 monthly surcharge for
6 Category One providers is \$0.006942 per access line and \$0.069423 per interconnecting trunk line.
7 For Category Two providers, the year 2010 monthly surcharge is 0.4033 percent of intrastate toll
8 revenues. The current monthly surcharge for Category One providers is \$0.006471 per access line
9 and \$0.064714 per interconnecting trunk line. For Category Two providers, the current monthly
10 surcharge is 0.2485 percent of the intrastate toll revenues.

11 5. The collection of these amounts over the year 2010 will generate sufficient funds to
12 cover the amount of the AUSF distributions that Citizens has been authorized to receive. As of
13 December 31, 2009, the AUSF is expected to have a fund balance of \$243,731. The new rates are
14 intended to increase the end of year 2010 fund balance to \$299,353.

15 6. Staff had reviewed the proposed year 2010 monthly surcharges and found them to
16 be just, reasonable, and in the public interest. Staff does not believe the proposed 2010 monthly
17 surcharges will contribute to a fund balance that is higher than necessary.

18 7. Staff has recommended approval of the proposed year 2010 monthly AUSF
19 surcharges for service provided on and subsequent to January 1, 2010.

20 CONCLUSIONS OF LAW

21 1. The Commission had the authority to authorize these surcharges pursuant to the
22 Arizona Universal Service Fund Rules, A.A.C. R14-2-1201 through R14-2-1217.

23 2. The Commission has jurisdiction over the subject matter of this order.

24 3. The 2010 surcharges for Category One and Category Two providers meet the
25 requirements of the AUSF rules, are just and reasonable, and in the public interest.

ORDER

IT IS THEREFORE ORDERED that the year 2010 monthly Arizona Universal Service Fund surcharge for Category One providers is \$0.006942 per access line and \$0.069423 per interconnecting trunk line.

IT IS FURTHER ORDERED that the year 2010 monthly Arizona Universal Service Fund surcharge for Category Two providers is 0.4033 percent of intrastate toll revenues.

IT IS FURTHER ORDERED that the year 2010 monthly Arizona Universal Service Fund surcharges become effective for services provided on and subsequent to January 1, 2010.

IT IS FURTHER ORDERED that this Decision shall become effective immediately.
