RE: Docket No.: W-04254A-08-0361 & W-04254A-08-0362
Decision No.: 71317

On October 21, 2009, the Arizona Corporation Commission approved Decision No. 71317. The Discussion and Resolution states, "Because Montezuma has already completed construction of Well #4, we believe that Staff's recommended December 31, 2009, deadline to file the AOC for Well #4 is reasonable and should be followed." ADEQ has informed MRWC that an AOC will not be granted until the installation of the Arsenic Treatment System is complete. Therefore, MRWC is unable to obtain an AOC from ADEQ for Well #4 by December 31, 2009. MRWC hereby requests an extension of time for the submittal of the AOC for Well #4 AOC. MRWC requests the time be extended to June 30, 2010.

Sincerely,

Patricia D. Olsen, Manager
