Page 3, line 12.5, INSERT NEW FINDING OF FACT: "Since Sunrise Water Company is located in the Maricopa Active Management Area, it will be required to comply with conservation goals and management practices of the Arizona Department of Water Resources ("ADWR"). In light of the need to conserve groundwater in Arizona, we believe it is reasonable to require Sunrise Water Company to go beyond the ADWR requirements. Therefore, we will require Sunrise Water Company to implement within 90 days of the effective date of this Decision, at least eight Best Management Practices ("BMP's") (as outlined in ADWR's Modified Non-Per Capita Conservation Program). A maximum of two of these BMP's may come from the "Public awareness/PR or Education and Training" categories of the BMP's."
