DOCKETED BY

REPLACE subsection (A) in its entirety with the following:

“ A. Except as provided in R14-2-2418, on June 1 of each odd year, or annually at the election of each affected utility, each affected utility shall file with Docket Control, for Commission review and approval, an implementation plan describing how the affected utility intends to meet the energy efficiency standard for the next one or two calendar years, as applicable, except that the initial implementation plan shall be filed within 30 days of the effective date of these rules.”

Page 14, INSERT new Section as follows:

“R14-2-2418. Compliance by Electric Distribution Cooperatives

- A. An electric distribution cooperative that is an affected utility shall comply with the requirements of this Section instead of meeting the requirements of R14-2-2404(A) and R14-2-2405(A).
- B. An electric distribution cooperative shall, on June 1 of each odd year, or annually at its election:

1. File with Docket Control, for Commission review and approval, an implementation plan for each DSM program to be implemented or maintained during the next one or two calendar years, as applicable; and
 2. Submit to the Director of the Commission's Utilities Division an electronic copy of its implementation plan in a format suitable for posting on the Commission's website.
- C. An implementation plan submitted under subsection (B) shall set forth an energy efficiency goal for each year of at least 75% of the annual savings requirement specified in R14-2-2404 and shall include the information required under R14-2-2405(B)."

Make all conforming changes.
