Subject: Recent outages

Dear Chairman Mayes and Commissioners:

I have noticed a very disturbing trend.

The SSVEC Rate hearing was held on 17 August. SSVEC was ordered to stop work on the 69 kV line. The next day this area experienced a power outage.

This area experienced another outage on 8 December. The SSVEC hearing for an emergency moratorium was held a couple of days later.

Tuesday, 15 December, this area experienced an outage and the next day I received SSVEC's letter about why the power line was needed.

I'll let you draw your own conclusions.

Sincerely,

Jeanne Horsmann
