DOCKETED BY

**RE: MOTION TO INTERVENE IN THE MATTER OF THE APPLICATION OF ARIZONA-AMERICAN WATER COMPANY, AN ARIZONA CORPORATION, FOR A DETERMINATION OF THE CURRENT FAIR VALUE OF ITS UTILITY PLANT AND PROPERTY AND FOR INCREASES IN ITS RATES AND CHARGES BASED THEREON FOR UTILITY SERVICE BY ITS ANTHEM WATER DISTRICT AND ITS SUN CITY WATER DISTRICT (DOCKET No. W-01303A-09-0343) SW-01303A-09-0343**

Pursuant to the Administrative Law Judge's September 24, 2009 Procedural Order, the Anthem Golf and Country Club (the "Club") hereby moves to intervene in the rate proceeding, docket number listed above, addressing the Arizona American Water Company's (AAWC) requested water rate increases in its Anthem Water District. The Club is located at 2708 West Anthem Club Drive, Anthem, AZ 85086, 623.742.6200 (telephone) 623.742.6204 (fax). I am the Club's general manager and additionally serve as a Regional Manager for the Club's parent company, ClubCorp.

The Club is a 36-hole championship golf course, consisting of the Ironwood and Persimmon 18-hole courses. Tucked into the quiet beauty of the high Sonoran desert foothills, the unique hillside setting provides extraordinary mountainous views. In addition to the 36 holes of golf, the Club features two clubhouses, tennis courts, pools, spa services, formal and casual dining, golf shops, locker rooms, and fitness facilities.

The Club currently has 582 memberships providing golf privileges to the Club's courses. Additionally, each of the owners of the over 2800 lots within the Anthem Community are considered social members of the Club and have membership privileges to the Club's social and fitness facilities, and reduced greens fees for use of the Club's courses.

The Club maintains the courses through irrigation with reclaimed water provided by AAWC subject to its irrigation rate. The Ironwood and Persimmon courses are permitted to be irrigated with reclaimed water, pursuant to two Arizona Department of Environmental Quality reclaimed water permits. Based on the Anthem Community's location and a Maricopa County ordinance precluding the Club's extraction of groundwater for irrigation purposes, AAWC represents the Club's sole irrigation water supply. Accordingly, the Club has an interest in the ramifications of an additional increase in AAWC's water rates.

I hereby certify that a copy of this Motion to Intervene has been mailed to Thomas H. Campbell and Michael T. Hallam, attorneys for Arizona-American Water Co., Lewis and Roca, LLP, 10 N. Central Avenue, Phoenix, AZ 85004
