**Date:** 12/14/2009 9:38 AM  
**Subject:** Re: I have a request.

Ms. Bayer,

I contacted Docket Control and Ms. Bernal at the Corporation Commission. Unfortunately, they are only capable of making audio CDs. Docket Control, however, does allow members of the public to print out or make copies from their computer in their office at 1200 W Washington in Phoenix. Copies are \$0.10 per page if Mr. Shaffer does it himself, or he can request them to do it for him for \$0.50 per page and tell them which pages he needs copies of. If he would like to make arrangements, their phone number is (602)542-3477.

He could also check the other locations listed on the Notice of Hearing that have hard copies of the application. I hope this information is helpful.

Thank you,  
Tara Williams  
Assistant  
Consumer Protection & Advocacy Section

Dear Ms. Williams:

I hope you had an enjoyable weekend, and may all your Christmas shopping be done. I do have a request or a question. I have a friend who has been helping myself and others in regards to Hualapai Solar. This person is Mark Shaffer, he lives up in the Meadview area. Mark does not have a computer. I do not have the capability to print out the full 688 page document for Hualapai Solar. Mark has contacted me to ask if at all possible a disc could be made up on a CD Rom for him. He stated that he would pay for the disc, this way he can put it on his TV and read it off there. I hope you can help us out, or could refer me to someone that could. I thank you in advance for reading this Email and responding to it.

Thank you

Susan A. Moore - Bayer

>>> "Haberman, Marjorie" <[MHaberman@LRLaw.com](mailto:MHaberman@LRLaw.com)> 1/4/2010 2:58 PM >>>  
Tara,

Hualapai Valley Solar plans to docket its witness testimony and exhibits this coming Wednesday, January 6th, in compliance with the Chairman's Procedural Order in the above referenced case. To be sure that the Line Siting Committee members receive the material prior to the hearing, we would like the Chairman's permission to overnight the submission directly to the committee members. I spoke with the Docket Control staff and they will allow us to do this if they receive written authorization from the Chairman and if we send copies of the filing that they first have docketed. The mailing will include no form of communication from HVS to the committee, just a binder in a Federal Express or U.S. Postal Service box.

Please let me know if the Chairman will authorize HVS to make this distribution.

Thank you.  
Marge

Chairman Foreman has discussed and agreed to allow the applicant to be held responsible for mailing out a specified filing in Line Siting case #151. As this is normally the responsibility of Docket Control, Chairman Foreman's office must provide correspondence to Docket Control stating that he has granted permission for this one time occurrence, he assures that parties on the service list will receive this filing and releases us of this responsibility.

If you have any questions, please contact Docket Control at 602-542-3477

**Subject:** Re: Corporation Commission Filings

Dear Ms. Williams:

I believe my filings to you were in compliance with the Procedural rules you had sent me in the past. In my letter of Intervention I sent the 25 copies to Docket Control and only 1 copy to Mr. Forman (only). Please accept my apologies for sending Mr. Forman a copy of my letter that was not stamped received by Docket Control.. I can assure you that I have not made any attempt to contact any of the Line Sitting Committee or any one else per the Administrative Code Guidelines. I thank you for the reminder. It was a pleasure meeting you yesterday, and I hope you have a wonderful day.

Susan Bayer

Thank you for initiating consultation with the State Historic Preservation Office (SHPO) pursuant to A.R.S. § 41-864 regarding the application by Hualapai Valley Solar LLC for a Certificate of Environmental Compatibility for the construction of the Hualapai Valley Solar Project and an associated Gen-Tie line interconnecting the generating facility to the existing Mead-Phoenix 500kV transmission line, the Mead-Liberty 345kV transmission line, or the Moenkopi-El Dorado 500kV transmission line in Mohave County, Arizona. We have reviewed the submitted materials and offer the following comments.

The submitted documents include a map indicating the proposed transmission line alternatives will require easements across lands managed by a federal agency, the Bureau of Land Management [BLM] and permits from the federal agency Western Area Power Administration [WAPA], Department of Energy. These will trigger reviews of the undertaking by our office pursuant to the National Historic Preservation Act [Section 106 of 36 CFR Part 800]. The applicant should also be reminded that Arizona State Law requires that if human remains or burial goods are encountered during any ground-disturbing activities, even on private lands [i.e., A.R.S. § 41-865], work in the immediate vicinity must cease and the Director of the Arizona State Museum promptly notified.

We appreciate your cooperation with this office in considering the potential impacts of development on cultural resources situated in Arizona. If you have any questions or comments, please contact me at (602) 542-7140 or electronically at [djacobs@azstateparks.gov](mailto:djacobs@azstateparks.gov).

Sincerely,

David Jacobs

Docket No. L-00000NN-09-0541-00151

Case No. 151

**PROCEDURAL ORDER**

John Foreman, designee of the Attorney General of Arizona, Terry Goddard, as Chairman ("Chairman") and Presiding Officer of the Arizona Power Plant and Transmission Line Siting Committee ("Line Siting Committee") as authorized by A.R.S. §§ 40-360.01(C) and (D), 40-360.04 and A.A.C. R14-3-201(E) issues the following procedural order:

**IT IS ORDERED:**

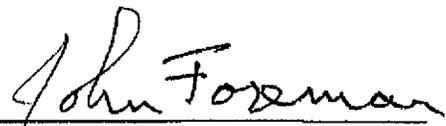

1. As directed at the Pre-hearing Procedural Conference held on January 4, 2010, the Applicant shall mail directly to members of the Committee, without covering correspondence, copies of the summary of the direct testimony of witnesses and proposed exhibits that will be filed with Docket Control of the Arizona Corporation Commission. The direct mailing is authorized without accompanying material, on this occasion only, because of the lateness of the exchange of information with two potential interveners in the proceeding. This order is to relieve Docket Control of the responsibility of sending the materials to Committee members on an accelerated basis prior to the hearing which begins January 12, 2010, and is in response to a concern expressed by staff of Docket Control.

2. As directed at the Pre-hearing Procedural Conference held on January 4, 2010, the Applicant, all potential parties ("persons" within the meaning of A.R.S. § 40-360(8) who request to intervene pursuant to A.R.S. § 40-360.05(A)), and those persons requesting the opportunity to present testimony at the hearing shall exchange summaries of the direct testimony of proposed witness and all proposed exhibits that will be offered into evidence on or before 5 pm on January 6, 2010, or as soon thereafter as is possible.
3. The potential parties and potential witnesses may provide copies of their proposed witness testimony and exhibits to Committee members at the beginning of the hearing. However, the potential parties and witnesses shall file with Docket Control all material provided to the Committee members by January 12, 2010.
4. The Applicant, potential parties and potential witnesses shall comply with the other provisions of the Pre-hearing Procedural Order entered in this matter on November 25, 2009.

IT IS FURTHER ORDERED, the Chairman may amend or waive any portion of this Procedural Order by subsequent Procedural Order, by ruling at a pre-hearing conference or at a hearing.

DATED this 5<sup>th</sup> day of January, 2010.

**Date:** 1/5/2010 4:40 PM  
**Subject:** Re: Corporation Commission Filings  
**Attachments:** Service List.doc; SAMPLE INTERVENTION.pdf

Hi Tara,

The service list was attached to my motion to intervene as the sample you sent me included the service list. I have attached that sample.

I took the service list directly off the edocket website which is available to the general public. Please see attachment. I checked edocket today and the service list is no longer there but you can see by the attachment that it certainly was there previously.

I want to make it as easy as possible for your office to deal with a citizen as an intervener as I feel strongly that it is vital for people like me to participate at this level of the process. It is not easy for a citizen defending their land and water supply to accomplish an intervention as there is not a lot of detailed information concerning the intervention process in general. On top of that, there has been mixed information supplied to the citizenship as is normal in a large government organization. No offense intended of course! I have tried (and will continue to do so) to supply your office with the appropriate paperwork and communications you require.

Thank You,

Denise

2009 MAY 18 P 2:34

IN THE MATTER OF THE APPLICATION OF ~~NOGALS ELECTRIC, INC.~~  
FOR A CERTIFICATE OF ENVIRONMENTAL COMPATIBILITY FOR  
THE VAIL TO VALENCIA 115 KV TO 138 KV TRANSMISSION LINE  
UPGRADE PROJECT, ORIGINATING AT THE EXISTING VAIL  
SUBSTATION IN SEC. 4, T.16S., R.15E., PIMA COUNTY, TO THE  
EXISTING VALENCIA SUBSTATION IN SEC. 5, T.24S., R.14E., IN  
THE CITY OF NOGALES, SANTA CRUZ COUNTY, ARIZONA.

Docket No. L-00000F-09-~~0144~~ -0190-00144

Arizona Transmission and Power Plant Line  
Siting  
Case No. 144

Notice of Filing a Motion to Intervene

by

Elizabeth Buchroeder-Webb (Elizabeth Webb)

As a ratepayer, consumer, and interested party, I respectfully request to be a party in this matter. I have experiences involving Vail and Pima County energy issues as a civilian intervener in TEP Line Site Case 138 and City of Tucson Case SE-08-05 TEP Cienega Substation Dawn Drive RH Zone (Ward 4). Additionally, I am a community volunteer in local historic, cultural, educational, environmental issues as well as a member of the Vail Preservation Society and the Hilton Ranch Community Association. Potential issues should be prudently resolved during this case. The key issue is the impact to the natural, historic and human environment within the approximately 425 square miles of the Vail School District boundaries- an area also encompassed within the identified boundaries of the Vail Preservation Society. I respectfully ask not to be combined with any other interveners in this case as my area of interest is predominately within Segment 1A and a smidge south of there within Pima County.-.

The following are concerns in this case:

1. Environmental impacts of new transmission line routes and associated access roads.
2. Visual impacts of "weathered" compared to less visible galvanized steel poles
3. Repetitive impacts to the natural, cultural and human environments of one county/area in Arizona for the benefit of a different county/area and another separate corporation in the state of Arizona-particularly in rural areas.

If this motion is approved, I request a discovery period through 30 June 2009, due to the short time between date of my motion to intervene and the hearings. If the applicant denies any discovery data request, that response requires rapid adjudication. Such denied response needs to include the Committee Chairman as an addressee so any dispute can be promptly resolved. I plan to dispute any data request denial to the Committee Chairman within 3 days. Ten calendar days for data request responses is expected and appreciated.

Arizona Corporation Commission  
DOCKETED

MAY 18 2009

DOCKETED BY [Signature]

This filing has been mailed to all parties in the Service List below.

Respectfully submitted on this 13<sup>th</sup> day of May 2009

ELIZABETH BUCHROEDER

Tara,

Since we are directly contacting one another as per Judge Foreman's 1-5-10 order shall I forward all information to you, Judge Foreman and the list he includes at the back of the order. Including docket control.

Due to time constraints I will be electronically supply information to the group as well as hard copies as a follow up if they desire. I have let the parties know that electronic communication is preferable in mu own case.

Thanks you.

**Subject:** express mail on Hualapai Solar. Docket # L-00000NN-09-0541-00151

Dear Ms. Williams:

I apologies for not sending this Email sooner. At 4:40 today I mailed (Express - next day delivery) 1 set of my outline and exhibits to Mr. Campbell, 1 set of my outline and exhibits to Mr. Torres. Lastly I mailed 2 outlines and exhibits to yourself and one to Mr. Foreman, everything was postmarked today at 4:45. Thank you for leaving the telephone message on putting everything in a binder for Tuesday's public hearing. Can you tell me about how many sets of copies and binders I will need, and does the docket control also need a binder or just an attached group. And also do I need to make up a binder for the court recorder. I thank you in advance for answering these questions. I do have several questions to be asked of Mr. Campbell, am I allowed to type them, and fax them to him and mail a copy to docket control, or does it go you you and then obtain the chairman's approval of this request. I hope you have a nice day.

Dear Ms. Williams:

Thank you for the answer. I will make sure the court reporter is given a copy in a binder for the record. I was informed that also I will need to make an original and 25 copies of my outline and exhibits, and give this also to docket control. In the binder that I will be using do I need to separate each exhibit section with a subject divider and labeled? I know I don't need to do this for the Docket Control copies, but I thought I would ask.

Susan Bayer

Subject: #151 Exhibits

To answer your question, I have spoken with the Chairman, and he would prefer if you filed your exhibits with Docket Control. If you are unable to do so, just be certain to have a copy of each exhibit for the court reporter at the hearing, that way everything will be a part of the record.

Thank you,

Hi Israel,

Just a personal thought here. I would really like to see Mohave County given preference i.e. given hiring priority/training over any other applicants, even those from Arizona. Similar to the way the Hualapai give first consideration to their members. In particular potential employees who have not just recently located here to obtain employment.

This is Mohave Counties natural resources being utilized and their infrastructure being effected. Just a thought and I appreciate your consideration!

Denise

 Subject: Proposed Language

Dear Tom,

We are in receipt and have reviewed Hualapai Valley Solar LLC's Notice of Filing Proposed Form of Certificate of Environmental Compatibility, filed on January 4 ,2010.

We are not an official party to Case No 151, however we submit the following additional language for your consideration:

Proposed additional language by the Arizona Building Trades Council

for

Hualapai Valley Solar, LLC Proposed Form of Certificate of Environmental Compatibility filed on January 4, 2010.

Page 2, Line 14 <Insert>

The Arizona Building Trades Council was represented by Israel Torres of the Torres Consulting and Law

Group, LLC, and provided a presentation pertaining to the Arizona construction trade unions and available manpower to build the proposed project with local construction workers.

Page 8, Line 20 <Insert>

23. Applicant, or its contractor of record, shall make good faith efforts to partner with Mohave County workforce development personnel to partner on job training and/or apprenticeship programs for Mohave County residents.

24. Applicant, or its contractor of record, shall make good faith efforts to utilize construction workers who are residents of Mohave County and/or the state of Arizona to construct the project.

25. Within ninety (90) days of the Commission decision granting this Certificate, the Applicant, or its contractor of record, shall make good faith efforts to commence discussions with the Arizona Building Trades Council on a model construction agreement that maximizes the utilization of Arizona and/or Mohave County residents for the construction of the project.

Thank you.

Ms. Bayer,

Docket Control always requires an original and 25 copies for filing line siting matters. It is pretty normal to have several copies of exhibits and other filings during these hearings, but you will need 25 copies to file with the Corporation Commission.

>>> "Susan" <rbbdci@frontiernet.net> 1/8/2010 11:22 PM >>>  
Dear Ms. Williams:

I am asking for some clarification. The normal procedural order for docket control is submit an original documentation and 25 copies. I have made up 15 copies of my outline and exhibits in binders for the Line sitting commission public hearing. I also have 1 copy of the outline and exhibits in a binder for the Court reporter. My question is it is my understanding that of the 25 copies that go to Docket Control 11 or so are for the Line Sitting Commission, Chairman, etc. The remaining copies are passed around the Corporation Commission and others. My question is if I am giving out 11 or so to the Chairman and the Line sitting commission as part of this process, would I not only need to file only 10 to 14 copies. I apologies for my lack of knowledge in this area, but it does seem to me if I give out 15 copies to the Chairman and the Line Sitting Commission at the public hearing for Hualapai Solar, and Docket control still states it needs an original, and 25 copies that comes up to a total of 40 copies. This is rather confusing and like I said please accept my apologies for not understanding this. I thank you in advance for reading this Email and responding to it. I hope you had an enjoyable weekend.

Sincerely,

Susan A. Bayer

It is hard to predict for a number of reasons including whether a tour will be taken. But, based upon what we discussed at the pre-hearing conference and what Mr. Campbell said, Wednesday afternoon looks like a good guess. If we do not take a tour and if we are able to proceed expeditiously, we might be able to get to your witnesses Wednesday morning. My expectation is to proceed with Mr. Torres, if he is ready, after the Applicant, then Ms. Bayer's witnesses and then your witnesses. But, I will try to accommodate witness schedules to the extent I can. And, I am willing to consider agreements amongst you to take witnesses out of order. Please keep me advised of your needs.

It is hard to predict for a number of reasons including whether a tour will be taken. But, based upon what we discussed at the pre-hearing conference and what Mr. Campbell said, Wednesday afternoon looks like a good guess. If we do not take a tour and if we are able to proceed expeditiously, we might be able to get to your witnesses Wednesday morning. My expectation is to proceed with Mr. Torres, if he is ready, after the Applicant, then Ms. Bayer's witnesses and then your witnesses. But, I will try to accommodate witness schedules to the extent I can. And, I am willing to consider agreements amongst you to take witnesses out of order. Please keep me advised of your needs.

Good morning,

In scheduling witnesses on our behalf can you advise me as to the preferred time for their appearance. Mr. Campbell indicated during our conference call that it would probably be Wednesday afternoon. Would this be a correct assumption?

We do not want to inconvenience anyone if at all possible and would like to keep in line with the time frames that Judge Foreman desires.

Respectfully,

Denise

Ms. Bayer,

Chairman Foreman would like for you to check with him at the hearing. It will depend on your status (intervener, etc.)

Thank you,

Dear ms. Williams:

I have reviewed Mr. Campbell binder of the Hualapai Valley Solar testimony and exhibits. I have a number of questions that I feel need to be addressed. My question to you is are we allowed to ask any questions after each section that is presented by the applicant. Or are we to wait until it is the interveners time to present our exhibits. I already have my questions written down by each section. I apologize for this late writing to you, but I just wanted to clarify that we can ask questions after each section that Hualapai Solar is presenting. Thank you for reading this Email and responding to it.

Susan A. Moore - Bayer

Mr. Campbell,

I was wondering if you had added Ron Walker (Mohave County manager) to your witness list as I was advised by Mohave County Develement Services Nick Hont that Mr. Walker would be "represnting the county" at the hearings. If he is a witness then we could save time as Mr. Walker could answer many of the questions intended for other witnesses.

Respectfully,  
Denise
