If any box in (A-14) is marked "No", continue to question (A-15).

Note: Amounts are cumulative if the Applicant is applying for more than one type of service.

(A-15) If any box in (A-14) is marked "No", provide the following information. Clarify and explain the Applicant's deposit policy (reference by tariff page number). Provide a detailed explanation of why the Applicant's superior financial position limits any risk to Arizona consumers.

The Bonding requirements are not applicable to Applicant because it does not collect advances, prepayments or deposits. Further, Applicant does not provide service to residential customers. Rather, Applicant intends to provide service to enterprise business customers, who are sophisticated businesses that have sufficient resources to pursue resolution of any dispute that may arise with Applicant. Therefore, a bonding requirement is not necessary to protect these customers.

(A-16) Submit copies of affidavits of publication that the Applicant has, as required, published legal notice of the Application in all counties where the Applicant is requesting authority to provide service.

Note: For Resellers, the Applicant must complete and submit an Affidavit of Publication Form as Attachment "C" before Staff prepares and issues its report. Refer to the Commission's website for Legal Notice Material (Newspaper Information, Sample Legal Notice and Affidavit of Publication). For Facilities-Based Service Providers, the Hearing Division will advise the Applicant of the date of the hearing and the publication of legal notice. Do not publish legal notice or file affidavits of publication until you are advised to do so by the Hearing Division.
