OPINION THROUGH CHAIRMAN MAYES

09-0343

We are writing to strongly object to both American Water Proposals, Combining of water districts and raising rates.

1. We here in Sun City, a retirement community, should not have to pay for other districts whose water needs better treatment. Combining water districts will make us pay more just like another increase.

2. It is also unfair to raise water rates by exorbitant percentages. It's bad enough you let APS raise their rates, but another major cost increase is very hard on retired folks.

Please take our age group and also a sense of fairness into consideration before allowing these dockets to be approved.
