2/6/10:

Dear Commissioner Newman:

Thank you so much for your letter to the SSVEC. You have asked questions that need to be answered and as a longtime SVEC member who is passionately interested in why the SSVEC thinks this line is necessary I look forward to their answers which I hope will be fully forthcoming.

I couldn't agree with you more about the need for a conciliatory tone. Continuing with schoolyard rhetoric accomplishes nothing.

I am so grateful to you for getting so involved and interested in this matter. Thank you.
