Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding twenty-three (23) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of this potential layoff on October 12, 2009. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses. The proposed reduction involved twenty-three management employees in the Consumer Center Sales and Service organization. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system. Twelve employees were able to secure a different assignment within AT&T. The remaining eleven employees were not able to locate another position and thus were laid off. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin
