Dear Mr. Williamson:

In response to your request, on **12/04/2009** Luis Lopez conducted a Full Service Safety and Health survey of the Links At Coyote Wash Utilities Waste Water Treatment Plant, located at CO 12th St, 1/4 mi west of Ave 29 E, Wellton, AZ. The enclosed report details the findings of the survey.

We are pleased to inform you that no OSHA standard violations were identified at this location. The report includes recommendations regarding management practices to ensure ongoing, systematic hazard prevention. The report may also contain recommendations regarding analysis of your company's injury and illness records and steps you may consider utilizing to reduce your company's incidence of work-related injuries and illnesses.

Also enclosed is a survey form. ADOSH is constantly striving to improve our consultation services and we would appreciate receiving feedback from you regarding the services you received. Please return the form as soon as possible.

We look forward to hearing from you about steps you may have taken, or plan to take, in response to this report and the recommendations it presents. This information will help us to assist you in providing a safe and healthful workplace for your employees. It can also provide us with information about the effectiveness of our consultation effort, allowing us to emphasize its value to the fullest.

We encourage you to inform your employees of the actions you take regarding health and safety. This knowledge will help them to do their part in maintaining a safe and healthful workplace, and it will inform them of your concern for their protection.

Thank you for seeking our assistance. If you need any additional information or assistance, please contact our office.

Sincerely,

Babak Emami,
CET Supervisor
