Re: *Joint Application of CIMCO Communications, Inc. and Comcast Phone of Arizona, LLC  
for Approval of the Transfer of Customer Base, Docket Nos. T-03434A-09-0477 and  
T-04293A-09-0477*

Dear Sir or Madam:

On October 6, 2009, CIMCO Communications, Inc. ("CIMCO") and Comcast Phone of Arizona, LLC ("Comcast") (together, "Applicants") filed a Joint Application for Approval of the Transfer of Customer Base ("Application") with the Arizona Corporation Commission (the "Commission").

By this letter, Applicants respectfully request that the Commission grant a modified waiver of A.A.C. R14-3-110(B), which, among other things, allows any party to a proceeding the opportunity to file exceptions to a proposed order within ten days after service. The Applicants respectfully request that the Commission shorten this ten-day period, that the Commission permit the filing of exceptions to the proposed order within one business day, and that the Commission place the Application on the Utilities Agenda for the Commission's Open Meetings scheduled for February 2-3, 2010.

As noted in the Application, Applicants sought approval of the transaction in other states and at the Federal Communications Commission ("FCC"). All state approvals have been obtained and an order from the FCC is expected in or after February 2010. As a result, it is in the public interest for the Commission to approve this modified waiver request as soon as possible and place the Application on the Commission's February 2-3, 2010 Open Meetings to allow Applicants to consummate the transaction as soon as possible following FCC approval.

Respectfully submitted,

Matthew R. Henriksen
