RE: Arizona American Water Company, Inc.
Docket Numbers: W-13A-09-0343 and SW-01303A-09-0343
Rate Consolidation Increases

Dear Commissioners:

As you may be aware, Sun City enjoys some of, if not the best water in the state. And, for this reason, the cost to process the water is less than for neighboring areas. Existing rate structures reflect the differing cost to serve each geographic area: and therefore Sun City water rates are lower.

We are concerned that the bundling or "Rate Consolidation" will result in Sun City residents helping to bear the increased costs of other districts. We oppose this action: and ask for your consideration in making a decision on this matter.

Sincerely,
Tura Plaza Board of Management
