RE: Rate Consolidation and Increases

As a registered AZ voter

I want to protest the rate increase of the AZ-American Water Company, Inc. on the people of Sun City, AZ. I do not think it fair to consolidate water rates on a regional basis which, no doubt, AZ American will do should their request for an increase be granted. This large increase request is to benefit other water districts not the people of Sun City.

It is not the time to be asking for increases in utilities when people are out of work, on limited incomes and the economy unsettled.

Hopefully, the AZ Corporation Commission will reject the request of the AZ-American Water Company at this time.

Sincerely,

James Sanders

**Subject:** Registered Arizona Voter opposed the water & waste water increase

I am strongly opposed to the proposed water & waste water increase to me here in Sun City. One of many reasons we bought in this area was the reasonable costs to live here. This increase is above and beyond reasonable.

Re: Rate consolidation & Increase

As a resident of Sun City Az and a condo owner, I am definitely against any increase in our rate for water or sewer and/or the consolidation of water districts.  
Please keep in mind that a rate of 28% & 40% would devastate the senior citizens who did not even get a cost of living raise in our Social Security this year and people are hurting.  
Thank You...
