Re: Docket Nos: W-01303A-09-0343 and SW-⁰¹³⁰³~~01301~~A-09-0343

Dear Ms. Mayes:
Attached is Arizona Corporation Commission Public Comment Form for your consideration.

It is important for our community that we won't be a part of this planned consolidation and "bundling". The seniors living here in our modest condos do not use as much water as the communities that we would be bundled with, and we would end up paying for their consumption of water and usage of sewage facilities. Most of our residents are on fixed income and this consolidation resulting in rate increases would be disastrous to us.

Please use your common sense – and do not destroy our community by senseless "bundling" us with more affluent areas, with much larger homes and larger families living there. Let us pay for our usage and have them pay for theirs.

Respectfully -

Irene J. Bergel

I am against the consolidation. Sun City is a retirement community - and most of our residents are on fixed income - Social Security checks. We cannot afford any more increases. Also - the other communities are more affluent - the houses are large - and a 4,000 sq ft home surely uses more water than any of our modest condos. We would be paying for their water consumption and that's absolutely not acceptable.

Please use your common sense - and save us from this senseless consolidation . Let us pay for our usage and have them pay for theirs.
