**Subject:** Rate Consolidation and Increases -- W-1303A-09-0343 & SW-D1303A-09-0343 (Arizona-American Water Company. Inc.)

40

Why should Sun City be forced to pay these huge increases to enhance the water quality of other water districts.

These increases will not only hurt the citizens of Sun City--most of whom are on a FIXED income; but will add more costs to the Sun City Recreation Centers which will be passed on to the residents in increased fees to run our Recreation Centers, swimming pools, and golf courses.

Sun Citians have been loyal customers of this water system for 50 years. Please let those who have inferior water systems pay their own way?? These increases will also make it harder to sell homes which will be a hardship to Sun City citizens.

I am adamantly opposed to the approval of these increase.

Sincerely,

Nancy Hymer, 12249 N Riviera Dr., Sun City, AZ 85351 (623) 583-9529, [Hymer1@juno.com](mailto:Hymer1@juno.com) 2/24/2010
