PUBLIC NOTICE OF HEARING ON THE
PETITION OF
SULPHUR SPRINGS VALLEY ELECTRIC COOPERATIVE, INC.
TO AMEND DECISION NO. 71274
PURSUANT TO A.R.S. §40-252
DOCKET NO. E-1575A-08-0328

On September 8, 2009, the Arizona Corporation Commission ("Commission") issued Decision No. 71274, which approved a rate increase for Sulphur Springs Valley Electric Cooperative, Inc. ("SSVEC" or "Cooperative") and made other findings, including *inter alia*, requiring filing an independent feasibility study of the planned upgrade and construction of a 69 kV line serving the Elgin/Patagonia/Sonoita area (the "Affected Areas"), and requiring SSVEC to stop construction of the 69 kV line.

On January 14, 2010, SSVEC filed a Petition to Amend Decision No. 71274 pursuant to A.R.S. §40-252 and for Related Authorization ("Petition"). At an Open Meeting on February 3, 2010, the Commission voted to grant SSVEC's request for expedited consideration of SSVEC's Petition. In its Petition, SSVEC is seeking authorization to commence immediate construction of the 69 kV line without the need to first conduct the public forums on the independent feasibility report as required by Decision No. 71274. Commission Staff has not yet filed testimony on SSVEC's Petition, and the ultimate relief granted will depend on the evidence presented at the hearing in this matter.

Copies of the Petition and feasibility study filed on December 31, 2009, in this docket are available at the Cooperative's offices at 311 East Wilcox, Sierra Vista, Arizona, (520) 458-4691; 350 N. Haskell, Willcox, Arizona, (520) 384-2221; 285 W. PUBLIC NOTICE OF THE HEARING AND REHEARING AND RECONSIDERATION OF DECISION NO. 71274 AND THE RATE APPLICATION OF SULPHUR SPRINGS VALLEY ELECTRIC COOPERATIVE, INC. DOCKET NO. E-1575A-08-0328

AND THE APPLICATION OF SULPHUR SPRINGS VALLEY ELECTRIC COOPERATIVE, INC. FOR AN ORDER INSTITUTING MORATORIUM ON NEW CONNECTIONS TO THE V-7 FEEDER LINE SERVING THE WHIETSTONE, RAIN VALLEY, ELGIN, CANELO, SONOITA, AND PATAGONIA, ARIZONA AREAS DOCKET NO. E-01575A-09-0453

On September 8, 2009, the Arizona Corporation Commission ("Commission") issued Decision No. 71274, which approved a rate increase for Sulphur Springs Valley Electric Cooperative, Inc. ("SSVEC" or "Cooperative") and made other findings, including inter alia, requiring further study of the planned upgrade and construction of a 69 KV line serving the Elgin/Patagonia/Sonoita area (the "Affected Areas").

On September 28, 2009, SSVEC filed an Application for Rehearing and Reconsideration of Decision No. 71274 pursuant to A.R.S. § 40-253. In its Application, SSVEC sought reconsideration of the revenue requirement established in Decision No. 71274, and the operation of its Wholesale Power Fuel Cost Adjustor, as well as of the decision to halt construction of the 69 KV feeder line. At an Open Meeting on October 13, 2009, the Commission voted to grant SSVEC's A.R.S. § 40-253 Application for Rehearing and Reconsideration in order to provide for further Commission proceedings to consider all facts, including, but not limited to, those arising since the entry of Decision No. 71274, to consider matters raised by the Cooperative's Application for Rehearing, including, but not limited to, those related to the 69 KV line; and to consider any other matter relevant to the Commission's entire reconsideration of Decision No. 71274.

On September 18, 2009, SSVEC filed with the Commission an Application to implement a moratorium on new and expanded service connections that would be serviced by the existing V-7 Feeder Line within the Affected Areas.

The reconsideration and rehearing of Decision No. 71274 and the application for a moratorium on new connections on the feeder line serving the Affected Areas have been consolidated.

Copies of the Applications and other documents filed in this proceeding are available at the Cooperative's offices at 311 East Wilcox, Sierra Vista, Arizona, (520) 458-4691; 130 N. Haskell, Wilcox, Arizona, (520) 384-2221; 285 W. On January 14, 2010, SSVEC filed a Petition to Amend Decision No. 71274 pursuant to A.R.S. §40-252 and for Related Authorization ("Petition"). At an Open Meeting on February 3, 2010, the Commission voted to grant SSVEC's request for expedited consideration of SSVEC's Petition. In its Petition, SSVEC is seeking authorization to commence immediate construction of the 69 kV line without the need to first conduct the public forums on the independent feasibility report as required by Decision No. 71274. Commission Staff has not yet filed testimony on SSVEC's Petition, and the ultimate relief granted will depend on the evidence presented at the hearing in this matter.

Copies of the Petition and feasibility study filed on December 31, 2009, in this docket are available at the Cooperative's offices at 311 East Wilcox, Sierra Vista, Arizona, (520) 458-4691; 350 N. Haskell, Willcox, Arizona, (520) 384-2221; 285 W. Fifth Street, Benson, Arizona, (520) 586-2238 or at www.ssvce.org and the Commission's offices at 1200 West Washington, Phoenix, Arizona, and 400 West Congress, Suite 218, Tucson, Arizona, for public inspection during regular business hours, and on the internet via the Commission website (www.azcc.gov) using the e-docket function.

Public Hearing Information

The Commission will hold a hearing on the Petition beginning March 24, 2010, at 1:00 p.m., at the Commission's offices, Room 222, 400 West Congress, Tucson, Arizona.

Public comments will be taken at the beginning of the first day of the hearing. Written public comments may be submitted by mailing a letter referencing Docket No. E-01575A-08-0328 to Arizona Corporation Commission, Consumer Services Section, 1200 West Washington, Phoenix, AZ 85007, or by email. For a form to use and instructions on how to e-mail comments to the Commission, go to http://www.azcc.gov/dockets/public_comments/public_comments.pdf. About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. The granting of motions to intervene shall be governed by A.S.C. R14-3-105, except that all motions to intervene must be filed on or before March 9, 2010. If you wish to intervene, you must file an original and 13 copies of a written motion to intervene with the Commission no later than March 9, 2010, and mail a copy of the motion to SSVEC or its counsel and to all parties of record. Your motion must contain the following:

- 1. Your name, address, and telephone number and the name, address and telephone number of any party upon whom service of documents is to be made, if not yourself.
2. A short statement of your interest in the proceeding (e.g., a customer of the Company, a member of the Cooperative, etc.).
3. A statement certifying that you have mailed a copy of the motion to intervene to the Cooperative or its counsel and to all parties of record in the case.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the applications or from filing written comments in the record of the case.
