DOCKETED BY

Just to reiterate our opposition to the purposed rate increase in our area.

3/9 Docket No. SW 02676A-09-0257

The proposed rate hike is understandable, but the amount is ludicrous. To ask a community to pay so much, when most people are fighting unemployment and trying to keep their homes is horrifying, because now some of their grocery money is going to be going toward paying for a higher water bill. Please do not let them pass this. The amount is ridiculous. Thank you.

I'm opposed to any rate increments, I already pay much more than other Rio Rico residents and an increment would make a big impact
