Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding one (1) AT&T employee located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of this potential layoff on October 30, 2009. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses. The proposed reduction involved one management employee in the Small Business organization. In an effort to redeploy the employee within AT&T, the employee retained access to the internal AT&T job search system. The employee was not able to locate another position and thus was laid off. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin  
Director  
AT&T Services, Inc.
