PART II - LONG DISTANCE

SECTION 2 - REGULATIONS (Continued)

2.17 Access Facilities

- 2.17.1 Carrier will offer access facilities to provide a communications channel from Customer's location to each Point-of-Presence (POP). Customers may elect to purchase the access facilities through Carrier or to provide or arrange for the facilities themselves.
- 2.17.2 Carrier will undertake to arrange for alternative access facilities when requested and ordered by Customer, subject to availability and approval by Carrier. At the discretion of Carrier, such alternative access facility arrangements may be utilized in lieu of local exchange company facilities. Alternative access facilities may vary in cost and will be charged on an individual case basis.
- 2.17.3 Any special construction or non-standard charges assessed by the access service provider to Carrier will be the responsibility of Customer.

2.18 Arizona Universal Service Fund Fee

Services provided pursuant to this Tariff are subject to an undiscountable monthly Arizona Universal Service Fund Fee, which is equal to 0.4033%* of Customer's total billed intrastate retail long distance activity, including usage charges (e.g., 1+, calling card, toll-free) and operator services that can be identified as intrastate only. This percentage is established under the oversight of the Commission. (l)

The Arizona Universal Service Fund Fee will not be applied to any MRCs, NRCs, PICC or SLC fees.

The Arizona Universal Service Fund Fee is calculated before taxes and surcharges and after free minutes or any other Carrier promotional offers have been applied.

The Arizona Universal Service Fund Fee itself will be subject to all applicable state taxes.

2.19 Other Rules

- 2.19.1 For demonstration or promotional purposes, services offered to residential Customers may be provided on a temporary basis over telephone lines designated with a business class of service or installed in business locations.
- 2.19.2 Demonstration or promotional calls of up to 10 minutes may be offered to existing or prospective Customers to demonstrate new services, at no charge to Customer. Such offerings will be limited to specific locations and dates and may include originating and/or terminating restrictions.

* Effective January 1, 2010.
