(Docket No. W-02192A-09-0531)

Dear Commissioners;

We have been notified that the Little Park Water Company has applied for a rate increase. This will be Docket No. W-02192A-09-0531.

We have been a customer of Little Park Water Company for a number of years, and realize that they have not asked to raise their rates for quite a while. We do understand that they need this increase to continue to supply us with the quality of water we have come to expect, however the amount they are asking for is excessive. Please take this into consideration the fact that this increase will be a burden for many of us.

Thank you.

Sincerely,

Barron M. Unger and Brynn Burkee Unger
