6 **RUCO'S REQUEST FOR RECONSIDERATION**
7 **OF PROCEDURAL ORDER**

8 The Residential Utility Consumer Office ("RUCO") hereby requests reconsideration of
9 the Procedural Order granting bifurcation of the Westcor and Pebble Creek issues in the
10 above-captioned matter. RUCO requests reconsideration to clarify a misunderstanding as to
11 its position on the matter of bifurcation. RUCO understood that the Westcor and Pebble Creek
12 matters, relating to hook-up fees and the accounting of contributions in aid of construction,
13 would be heard on a separate date. RUCO believed these matters would be heard separately
14 but would result in a single order. Some of the Westcor and Pebble Creek issues relate to
15 hook-up fees which may not impact rate base, but the issue of the proper treatment of
16 contributions in aid of construction may impact rate base and should be determined
17 concurrently with a recommendation on rates. Accordingly, to the extent that the order of
18 bifurcation limits the ALJ's ability to consider these matters before issuing a recommendation
19 on rates, RUCO requests reconsideration.
