**Arizona Public Service Company
Home Energy Information Pilot Stakeholder Meeting Notice**

Interested Party:

Arizona Public Service Company ("APS") is providing notice that it will be conducting a stakeholder meeting regarding its proposed Home Energy Information Pilot Program ("HEI Pilot") filed with the Arizona Corporation Commission in Docket No. E-01345A-10-0075.

The HEI Pilot is a residential demand response pilot program that includes a technical assessment of in-home devices that would provide residential customers with transparent information regarding their energy use and costs. The HEI Pilot also includes a pre-paid energy service component to test customer response to a "pay as you go" option.

The purpose of the meeting is to provide stakeholders an informational overview of the HEI Pilot and to seek stakeholder feedback on APS's proposed program. Items for discussion include:

- APS Smart Grid Activities
- HEI Pilot Overview
- Critical Peak Pricing and Other New Rate Options
- Pre-Paid Energy Service Overview
- Program Timelines

The meeting will be held on April 20, 2010, from 1:30 p.m. - 3:30 p.m. in Room 2 South at the Arizona Public Service Company Corporate Headquarters, 400 N. 5th Street, Phoenix Arizona 85004.

If you plan to attend, please RSVP to John.Sterling@aps.com by April 9, 2010, so that we can make advance arrangements with Security to provide you with a badge. Please allow extra time for the security process.

We look forward to your feedback and participation. If you have any questions, please contact Erinn Andreasen at (602) 250-3276.
