Re: *Report of The Morenci Water & Electric Company
Pursuant to A.A.C. R14-2-1618.D Docket E-01049A-01-0271 Decision #63635
For January 1, 2009 through December 31, 2009*

Dear Mr. Bozzo:

The Morenci Water & Electric Company (MW&E) submits the following report pursuant Docket E-01049A-01-0271, Decision #63635. MW&E sold 1,479,823,848 kWhs to retail customers from January through December 2009. MW&E collected \$50,567.66 from the residential, commercial and industrial customers during 2009 from the Renewable Energy Standard Surcharge.

MW&E does not generate any power; rather it purchases the power on the wholesale market. MW&E has requested information from its wholesale provider about the percentage of purchased power that would meet the environmental portfolio definition. MW&E has been informed that energy that meets the environmental portfolio is not provided in the total mix of firm and non-firm power purchased by MW&E.

In as much as MW&E does not presently purchase this type of energy, MW&E will work with our providers to determine the availability. If not available, MW&E may seek a temporary waiver for this requirement.

Please let me know if you have any questions or comments.

Sincerely,

Ruel A. Rogers, Jr.
Superintendent
