Re: Docket No. G-01551A-96-0596; Decision No. 59685

Southwest Gas Corporation's (Southwest) Southern Arizona Residential New Construction program, authorized in the above-referenced Decision, has been modified and expanded to include Southwest's entire Arizona service territory and is now known as the Energy Star Home (ESTAR) program. As a result, Southwest no longer files reports related to the Southern Arizona Residential New Construction program with the Arizona Corporation Commission (Commission). Reporting pertaining to the ESTAR program is included in Southwest's Semi-Annual Demand Side Management Report filed each March and September.

This notice completes all compliance the Commission required in its decision regarding this docket.
